1. Why does your company hire S&T graduates?

Theme: Students are technically sound and good problem solvers

2. What qualities/characteristics make S&T grads stand out?

Theme: Well educated, hardworking, good fit with the culture of our company

3. What brings you back to recruit S&T students:

Theme: High success rate with S&T students, high quality and talented students
4. What would make you stop recruiting S&T students?

Theme: If the academic standards declined and the quality of students goes down

5. What do you like best about working with S&T graduates?

Theme: They are hard working with high energy

6. What would you like to see more of in S&T graduates?

Themes: Better and more confident in communication skills
        Diversity of backgrounds
7. What skills/experience do you look for in hiring S&T graduates?

Theme: Practical experience, coop/internship

8. What would you like to see less of in S&T graduates?

Theme: reliance on academic success

9. What trends do you anticipate in 3 to 5 years?

Themes: Demand for new hires will continue
Increased emphasis on project management
10. How does your company address cultural competency

Themes: Ability to work in a diverse workforce is a necessity
        Ongoing training/orientation

21 respondents, 17 S&T graduates (1966 to 2011)
CONNECT

LIFE’S ROADBLOCKS CAN BE BYPASSED.

WE ARE HERE TO HELP.

We’re all part of a university family. Sometimes we rely on our neighbors for strength. Other times we give them hope that tomorrow will be better. Now’s the time to reach out. Connect with someone today.
