Attendees: Carl Burns, Marian Cerney, Patti Fleck, Katie Jackson, Tiffany Kroeze, Christy Laughlin, Sarah Moore, Renee Parks, Barb Prewett and Kristi Schulte

**Ask Listen Refer Promotion Update**

- ALR calendars were sent out to all faculty and staff at the first of the year that included information outlining the importance of campus collaboration in addressing the needs of students who may be facing distress. Resource information was provided on how to become informed and who to contact when a concern arises.
- Barb will be sending out a memo in eConnection as a follow-up about the calendars and a reminder to participate in ALR.
- ALR numbers have gone up in January after the calendars were sent out.
- Human Resources is now including an ALR postcard in their new employee orientation.
- Student Recreation has set up a brochure holder with ALR pamphlets.
- Renee will be sending campaign posters to Student Health for them to put up in their facility.
- We will promote ALR to students via the eConnection; if they complete ALR and submit their certificate of completion they will be entered in a raffle for a prize.

**Aftermath of Shooting Incident in Arizona**

- Carl discussed the Arizona incident and asked the team to review the NaBITA article provided earlier.
- The consensus was that Pima Community College responded appropriately by informing the parents of concerns, notifying law enforcement, engaging with counseling and holding Jared Loughner accountable through their prescribed student conduct procedures for disrupting campus activities.
