Mission
Our mission is to assist students in developing the skills they need to serve as successful leaders in a global community.

Our Commitment
To be successful citizens and competitive employees students need to be culturally competent and possess strong communication, leadership, and personal management skills. We are committed to contributing to student success by promoting an inclusive campus community, developing students’ skills, and enhancing student retention and satisfaction through providing quality programs and resources.

Our Beliefs
- Everyone can develop leadership skills and become more culturally competent through education, practice, and experience
- Leadership is influencing others toward attaining mutually beneficial goals
- Cultural competence is respectfully and effectively interacting with people of diverse origins, abilities, and perspectives

Learning Outcomes
Through interaction with LCP programs and services, students reported significant gains in:
