Assessment Plan for 2013-2014

Purpose of the LCP Assessment Plan
To ensure data is collected and analyzed that will assist in
- Determining the extent to which LCP is achieving its mission and contributing to division and university strategic initiatives.
- Guiding programmatic and financial decisions designed to ensure continual improvement of services and programs.

Goals Related to Tier 1: Participant Data
Record the number of events, number of educational hours, and attendance at all events
- Provided by LCP independently, as a department
- Financially sponsored or co-sponsored by LCP
- Developed through strategic partnerships with other departments and/or student organizations

Generate participant profiles for department programs by
- Collecting demographic information including
  - Gender
  - Class Rank
  - Academic Major
  - Ethnicity/Race
- Asking how participants learn about LCP Events

Goals Related to Tier 2: Satisfaction Data
Utilize program evaluations to determine the extent to which students are satisfied with educational programs by asking
- Did you enjoy this workshop, why or why not?
- Would you recommend this workshop to a friend, why or why not?

Goals Related to Tier 3: Learning Outcome Data
Assess program learning outcomes by
- Distributing workshop evaluations designed to determine the degree to which programs achieved their objectives and contribute to student development as defined by the Council for the Advancement of Standards in Higher Education.
